# DOING GOOD THROUGH OUR BROTHERHOOD

More than two years in the making, the **Gamma Kappa Legion of Honor Foundation** is a first in our chapter's history. Now alumni from all eras and classes can join together to give a hand up to undergraduate members in need and to help us develop ethical leaders inspired by Love, Honor and Truth.

Making a difference also extends beyond our property with much-needed support for key community and charitable organizations that align with our founding principles. Much of our individual success stems from our learning years at the chapter and CU. Please consider paying your success forward to the place where it all began.

## ABOUT THE **LEGION OF HONOR FOUNDATION** BOARD

**John Worden, Foundation Director  
Gamma Kappa #1576, Class of '93**

In 2021, a group of alumni volunteers met with a vision to help steward and perpetuate the legacy of our Boulder chapter. After countless hours of conversations, strategic planning and legal work, the Gamma Kappa Legion of Honor Foundation was born, a 501(c)(3) non-profit foundation.

The unpaid volunteer board consists entirely of chapter alums with a wide range of financial, management and non-profit experience. All aspects of the Foundation are managed by the board to ensure professional oversight of all philanthropic funds and activities.

“

**Our mission is to further  
Sigma Nu's founding  
principles of Love, Honor and  
Truth by giving a hand up to  
undergraduate brothers and  
select community  
organizations in need.**

# YOUR TAX-DEDUCTIBLE CONTRIBUTION SUPPORTS FOUR VITAL NEEDS...

1

## GK STUDENT SCHOLARSHIPS

Awards financial assistance to eligible undergraduate brothers who demonstrate financial need, strong academic performance, chapter leadership, community engagement and personal integrity.

2

## COMMUNITY

Builds positive relationships between the chapter and the local/statewide community with a focus on safety (law enforcement associations/1st responders), vocational/ trade training centers, and disaster relief (e.g. Boulder Wildfire Fund).

3

## GK STUDENT ENTREPRENEURSHIP

Creates opportunities for undergraduate members to achieve their dreams in entrepreneurship and innovation with business development assistance and seed funding through grants and loans.

4

## PHILANTHROPY

Makes an impact on partner charitable organizations, including our long-standing contributions to the medical research and programs of Global Downs Syndrome, headquartered in Denver.
